# WIRE INSTRUCTION AUTHORIZATION FORM

The following form provides the Pension Reserves Investment Management Board (PRIM) with your System or Entity's wire instructions. These instructions are kept on file and used for all redemptions and/or wire transfers from your account, unless supplemental wire instructions are appropriately provided via the Redemption Form. (Please see the REDEMPTION FORM located on the website.)

Within the top section of the following form, please input your bank's complete wire instruction information; including the Bank Name and Address, Routing or ABA Number, Account Name, Account or DDA Number, and Reference information. Please be sure to fill out each line completely as this form invalidates all prior Wire Instruction Authorization Forms and/or direction. Please complete the bottom section with your System or Entity's name, and have the form signed and dated by an authorized signor, as listed under "Authorized Representatives" on your PRIT Fund Letter of Incumbency. (For more information, please see the PRIT FUND LETTER OF INCUMBENCY form located on the website.) Return the form to PRIM Client Service via fax at (617) 946-8472 or via e-mail at clientservice@mapension.com.
