

PENSION RESERVES
INVESTMENT
MANAGEMENT BOARD

ELECTRONIC STATEMENT DELIVERY AUTHORIZATION

The following form provides the Pension Reserves Investment Management Board (PRIM) with the names and corresponding e-mail addresses of individuals who should receive your System or Entity's monthly portfolio account statements. The statements are sent out via e-mail directly from our custodian bank, BNY Mellon, between the 14th and 16th business day of each month. If you have any questions regarding your statements or any included documents, please contact PRIM Client Service directly. We would be happy to assist you with any questions or concerns that you may have.

The monthly portfolio account statements are also accessible from BNY Mellon's Workbench website between the 16th and 18th business day of each month. Prior month and calendar year account statements are also available from Workbench. (Please see the BNY MELLON WORKBENCH button on our website.)

On the following form, please complete the top section with your System or Entity's name. Enter PRIM's primary contact within your System or Entity, including their e-mail address, under the "Primary E-mail Address" section of the document. Under the "Additional E-mail Addresses" section, please add the names and e-mail addresses of any other individuals who wish to receive monthly statements. Finally, please sign, date and return the form to PRIM Client Service via fax at (617) 946-8472 or via e-mail at clientservice@mapension.com.

Please note, a copy of your monthly statement will automatically be added to our existing consultant and custodian e-mail distribution lists as applicable, unless PRIM is otherwise directed.

ELECTRONIC STATEMENT DELIVERY AUTHORIZATION

The following individuals are to receive the below named System or Entity's PRIT monthly Porfolio Account Statements via electronic delivery. This listing can be updated at any time via e-mail direction. A copy of each statement will also be sent to the consultant and custodian bank listed on file, unless PRIM is otherwise directed.
